Elayna Brooks, MD

December 29, 2021

Dear patients,

I am writing this letter to notify you that I will be leaving Women's Health Associates of Richardson as of February 28th, 2022, and will no longer be in private practice.

Women's Health Associates of Richardson will be the custodians of your medical records and they will remain with the practice and are available to you upon request.

I am grateful that you have let me into your lives for the good, the bad, and the amazing moments. I will miss you all.

Should you decide to stay with the practice, I know that they will take great care of you.

Fondly,

Elayna Brooks, MD
